What you need: Google Chrome.

Install from a folder (if you received a zip/gzip):

1. Unzip the folder to a permanent location (e.g. Desktop or Documents). Do not delete it after installing.
2. Open Chrome and go to: **chrome://extensions/**
3. Turn **Developer mode** on (toggle in the top-right).
4. Click **Load unpacked** and select the unzipped folder (the one that contains `manifest.json`).
5. The extension **Page Linkify** should appear and be enabled.

Use: Browse any website. Valid phone numbers become clickable and open Loyco Member Insight. You can also right-click in a phone field and choose **Open in Loyco Member Insight**.

For Edge users

What you need: Microsoft Edge.

Install from a folder (if you received a zip/gzip):

1. Unzip the folder to a permanent location. Do not delete it after installing.
2. Open Edge and go to: **edge://extensions/**
3. Turn **Developer mode** on (toggle at the bottom-left).
4. Click **Load unpacked** and select the unzipped folder (the one that contains `manifest.json`).
5. The extension **Page Linkify** should appear and be enabled.

Use: Same as Chrome — phone numbers are linkified; you can also use the right-click menu **Open in Loyco Member Insight** in phone fields.
